### **Show Intention**

2. The decision of the judge is accepted with a good attitude. The judge gives an honest and professional opinion to the best of their abilities for which they were hired.
3. All inappropriate conduct is reported, as soon as possible to the JCHSS staff.
4. JCHSS supports a family like atmosphere that encourages participation and learning.
5. There will be no drugs, profanity, alcohol or abuse permitted or tolerated.
6. Violators of any of the above intentions are subject to immediate expulsion for the show day or show season.

### **Judges**

1. Judge's are selected from the N. C. Open Show Judge's List and other lists and are in the top of their class.
2. The judge is expected to become familiar with rules and regulations concerning JCHSS.
3. The judge shall not discriminate as to breed, type, class, color, age or sex. The judge shall have the authority to place an exhibitor or equine in whatever position in a class he/she thinks merit of the exhibitor or equine justifies. The judge's decision is final.
4. The judge shall conduct their business with show officials only and be in their company while on the show grounds. Competitors will not approach the judge without prior authorization from the show manager.
5. Neither the judge nor members of their family or clients shall exhibit or handle a equine in any class at a show where they are judging

### **Diversity of Riders, Disciplines and Equine/Mule Breeds**

We believe in the policy and philosophy that ALL equines can do ALL things within the diversity and distinction of their breed and thus should be presented with all opportunities to do so. JCHSS has attempted to "open" its show program to as many breeds as possible with the least restrictive environment in which all breeds can showcase their talents. Riders of all ages and skill levels have divisions that are suitable to promote their talents and disciplines to allow them to expand and enrich their experience. We hope that you enjoy this expanded show schedule and look forward to this year.

### **General and Misc. Rules Show Series**

***JCHSS offers a multitude of classes / divisions for the benefit of their competitors. However, competitors must understand that they must make a decision which classes / divisions they wish to participate in. We cannot and will not hold rings due to class conflicts. This will result in ring delays and a longer show day for everyone. We appreciate your understanding in this matter.***
